

## Glen Affric Brewery Wins 7 Medals at the World Beer Awards 2022

Glen Affric Brewery is very pleased to announce that we've won 7 medals at the 2022 World Beer Awards, including **Country's Best** for Rutting Stag, meaning that Rutting Stag has now won UK's best Amber Ale **2 years in a row** at The World Beer Awards:

- **Rutting Stag** – UK's Best (Amber Ale)
- **Rutting Stag** – Gold (Amber Ale)
- **Forres Haze** - Silver (IPA)
- **Tart An Typhoon** - Silver (Flavoured Wild/Sour)
- **A Tropical State of Mind** - Silver (Specialty IPA - Fruit)
- **I Can't Believe It's NOT-Ella** – Bronze (Flavoured Stout/Porter)
- **Misty Munro** - Bronze (Hefeweizen)

We're very happy with these results, especially to have received **Country's Best** for the second year in a row for Rutting Stag in the Amber category. The beer's rich, complex malt character balanced with its bold hop profile has made it a personal favourite amongst many in our team.

This beer will now go on to the next round of judging at the World Beer Awards in late August, to hopefully win the title of **World's Best**. If we do win this coveted title, we will have won **3 World's Best Awards** in the last 4 years!

Not to be ignored, both core range beers Forres Haze and Tart An Typhoon picked up Silver medals in their respective styles, an impressive feat for two very competitive categories. The Specialty IPA category is a new one for us and we're proud that crowd favourite A Tropical State of Mind also picked up a Silver medal.

A huge congratulations are in order to our entire team for their stellar efforts in producing outstanding beers, consistently year on year!
